

# How Long

Words and Music by Dave Siverns ©2017

Bm A G Em Bm A G Em (hold)

Bm A  
In the darkness that rolled upon the hill

G Em  
When the earth shook but God's own heart was still

Bm A  
As the spear pierced and blood and water spilt

G Em  
We mourn

In the violence that drives us to our knees  
In the silence and sorrow we all see  
As we question the path your question leads  
We mourn

G Em  
We cry how long  
Am G  
We cry how long  
Em Bm A G Em  
Oh how long

As they wrapped you and placed you in the tomb  
And we questioned the things that you can do  
As we wait for all death to be consumed  
We mourn
