Words and Music by Dave Siverns ©2016

**G**

Prepare, make way for the Lord  
Hear the wilderness cries  
And witness the light coming soon

**C**

**G**

Prepare, make way for the Lord

**Em**

**C**

**G**

Turn away from the darkness you're tangled in  
Turn away from your anger and swords  
Turn away from complaining and grumbling

**D**

**G**

Make way for the Lord

Prepare, make way for the King  
Whom the prophets for told  
Watch His mercies unfold as He reigns  
Prepare, make way for the King

Lay aside all your idols of selfishness  
Lay aside all the pride that you bring  
Lay aside wrong desires for influence  
Make way for the King

Prepare, make way for the Word  
Who created all being  
And poured out Himself to be heard  
Prepare, make way for the Word

Taste and see that our King comes to rescue us  
Taste and see that our Lord God is good  
Taste and see the great feast he prepares for us  
Make way for the Word
