Words and Music by Dave Siverns ©2017

**G (hold)**  
In the beginning was the word  
**G (hold)**  
The word was God, and the light of all mankind  
**Am G D**  
The darkness can be overcome  
**Am G D**  
The word made flesh, the only son

**C D**  
Light is dwelling here among us  
**Em G**  
Lift your voice, rejoice  
**C/E D/F#**  
All are welcome to this table  
**G/B C (hold)**  
God's beloved rejoice

**Em C G**  
We've been longing for the dawn  
**Em C G**  
We searched the sky for a star to point us home  
**Am G D**  
Ever nation, tribe and tongue  
**Am G D**  
Bow before the promised one

(Chorus)  
(Instrumental chorus – last C starts next Chorus)  
(Down chorus, build at end)
