^G Spirit speak, ^C Give us ears to hear when you call

^{Em}
Give us strength to rise when you fall

^D Be our guide all our days ^C

^G Spirit speak, Move our hands to reach the least of these ^C
^{Em}

Break our hearts and drive us to our knees

^D Be our guide all our days ^C

^D That we may shine as a sign of your goodness ^{Em}

^C Until you kingdom comes ^G

^D That we may share of your love and your mercy ^{Em}

^{C (hold)}
Oh may your will be done

Spirit speak, Tear down idols in our hearts and homes
Breathe new life into these weary bones

Be our guide all our days

Spirit speak, Shape our habits and renew our minds

Give us dreams and heal the deaf and blind

Be our guide all our days

(chorus)
