You did not wait for me to draw close to You  
**C2**                      **G/B**                      **Em7**  
My heart was stone my hands they fought against the truth  
**Am7**                      **G/B**                      **C2**  
The wonder of a love that sent a son to die  
**Am7**                      **G/B**                      **C2**  
A ransom paid a sinner saved by sacrifice

## Chorus

**G**    **Em7**  
Oh, I could never deserve Your love  
**C2**    **G**  
Oh, I could never deserve Your love

## Verse 2

**C2**                      **G/B**              **Em7**  
With empty hands of faith, I offer up my life

Filthy rags I bring, but You will not despise

The mercy of a king who sets the guilty free  
**Am7**                      **G/B**                      **C2**  
The savior saves; my debt was paid upon the tree
